WHAT IS A HUDDLE?

Huddles are intentional discipleship gatherings formed out of Groups. They are gender-specific meetings of 2-3 people, for about an hour and a half, who are committed to growing in the gospel and making disciples by asking three questions.

3 QUESTIONS

3 QUESTIONS

Up? - How does this truth create fellowship with God?

In? - How does this truth transform me and my relationship with others?

Out? - Who in my life needs to know the gospel?

INTENTIONAL GAME PLAN

Every Huddle ends with an intentional plan of how you and your Huddle will live out, in accountability, the gospel truths you have learned that week. A successful Huddle will always end with a “Now What Moment!”

WHEN DO HUDDLES MEET?

WHEN DO HUDDLES MEET?

We want to see every disciple gathering on Sunday, deepening relationships through Groups, and pursuing transformation in Huddles. To accomplish this, Groups and Huddles rotate weekly. One week you will gather with your Group, the next you will gather with your Huddle, and on it goes!
